## HSE Economic Journal

**We are happy to present HSE Economic Journal vol. 23. No. 3, 2019**

The HSE Economic Journal publishes refereed papers both in Russian and English. It has perceived better understanding of the market economy, the Russian one in particular, since being established in 1997. Its Editorial Board and Council consist of prominent Russian and foreign researchers whose activity has fostered integration of the world scientific community. The new issue includes articles on the comparative analysis of the theories of "Meritorious paternalism" by R. Musgrave and "Libertarian paternalism" by R. Thaler, the potential for increasing tax revenues amidst reducing fiscal inconsistencies zone (based on Kazakhstan's economy researches), on the assessing the consequences of the pension reform in Russia in a global CGE-OLG model, on the bankruptcy predictions for air carriers, as well as articles on wavelet transform for stock price modeling by fuzzy systems and about the theoretical approach and numerical method for finding a quasi-optimal solution to a high-dimensional nonlinear discrete problem.
