HSE Economic Journal

We are happy to present HSE Economic Journal vol. 24. No. 1, 2020

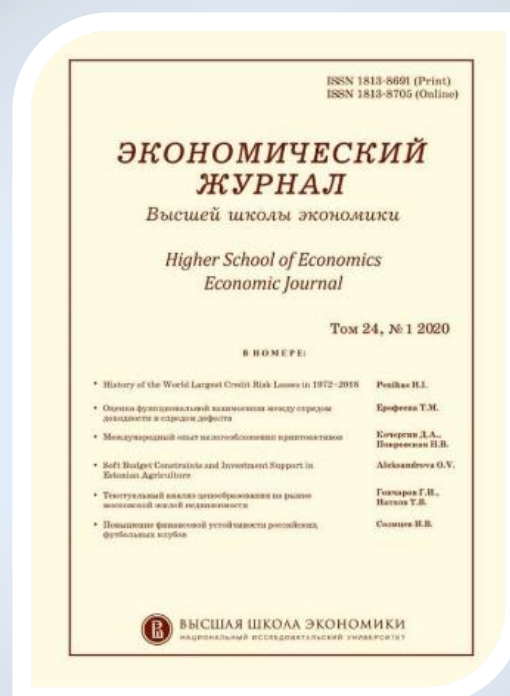

The HSE Economic Journal publishes refereed papers both in Russian and English. It has perceived better understanding of the market economy, the Russian one in particular, since being established in 1997.

Its Editorial Board and Council consist of prominent Russian and foreign researchers whose activity has fostered integration of the world scientific community.

The new issue includes articles dealing with history of the world largest credit risk losses in 1972–2018; assessment of the functional relationship between the yield spread and the default spread; international experience of taxation of crypto-assets; soft budget constraints and investment support in Estonian agriculture; textual analysis of pricing in the Moscow residential real estate market; improving the financial sustainability of Russian football clubs.
