

## WS.3 Unpaid Household Service Work

### Instructions

For each question, please provide the answer by clicking the relevant check box or by typing in the framed textboxes, which will automatically expand to fit the text.

Please note that the survey may reach one or more contacts in your agency; however, only one response is expected. A printable version of the questionnaire is available for your convenience. If you have any questions, please contact: Jorrit.ZWIJNENBURG@oecd.org or sna@un.org.

We look forward to and highly appreciate your collaboration.

Sincerely,  
Wellbeing and Sustainability Task Team

**1.** Please provide your information below:

Country \_\_\_\_\_  
Institution/Organization \_\_\_\_\_  
Name \_\_\_\_\_  
Position/Title \_\_\_\_\_

## Conceptual issues/recommendations

**2A.** How relevant is the topic of unpaid household service work for your country?

- High relevance
- Medium relevance
- Low relevance
- Not relevant

**2B.** Please provide arguments in favor of your response:

---

---

---

Do you have specific comments regarding the following issues:

**3A.** Do you agree that, at a minimum, summary time estimates should be added to existing Supply-and-Use Tables, every 5 years?

- Yes
- No

This Question is Conditionally Shown if: (3A = No)

**3B.** If you responded no, please provide arguments in favor of your response:

---

---

---

**4A.** Do you agree that, at a minimum, additional valuation of all productive activity in the economy (i.e. including unpaid work) should be estimated alongside GDP estimates, every 5 years?

- Yes
- No

This Question is Conditionally Shown if: (4A = No)

**4B.** If you responded no, please provide arguments in favor of your response:

---

---

---

**5.** Do you agree that, relying on the third-party criterion, the following subcategories should be included under unpaid household work (see Table 2 in the Guidance Note)?

	Yes	No	If not, please explain why?
(i) Childcare	<input type="radio"/>	<input type="radio"/>	_____
(ii) Adult care	<input type="radio"/>	<input type="radio"/>	_____
(iii) Nutrition	<input type="radio"/>	<input type="radio"/>	_____
(iv) Transport	<input type="radio"/>	<input type="radio"/>	_____
(v) Household management	<input type="radio"/>	<input type="radio"/>	_____
(vi) Laundry and clothing services	<input type="radio"/>	<input type="radio"/>	_____
(vii) Formal volunteering	<input type="radio"/>	<input type="radio"/>	_____
(viii) Informal volunteering	<input type="radio"/>	<input type="radio"/>	_____
(ix) Shopping	<input type="radio"/>	<input type="radio"/>	_____
(x) Information services	<input type="radio"/>	<input type="radio"/>	_____
(xi) Other unpaid household production not elsewhere classified	<input type="radio"/>	<input type="radio"/>	_____

**6A.** Do you agree with the development of an international standard classification of unpaid work categories?

- Yes
- No

This Question is Conditionally Shown if: (6A = Yes)

**6B.** If yes, do you have specific thoughts on what categories should be distinguished?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

This Question is Conditionally Shown if: (6A = No)

**6B.** If you responded no, please provide arguments in favor of your response:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**7A.** Do you agree that the input approach should be adopted for valuations of unpaid work, using main activities recorded by a harmonised time-use survey, as described in the guidance note?

- Yes
- No

This Question is Conditionally Shown if: (7A = No)

**7B.** If you responded no, please provide arguments in favor of your response:

---

---

---

**8A.** Do you agree that specialist wage rates should be selected from market occupations to value unpaid household service work?

- Yes
- No

This Question is Conditionally Shown if: (8A = No)

**8B.** If you responded no, please provide arguments in favor of your response:

---

---

---

---

## Practical implementation

**9.** How do you regard the feasibility of compiling results according to the guidance in this note (0-10 from not feasible at all to highly feasible)?

0. Not feasible at all	1	2	3	4	5. Moderately feasible	6	7	8	9	10. Highly feasible
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

**10.** Please explain what you see as the main opportunities and main challenges regarding the compilation of results according to the guidance in this note.

---

---

---

**11A.** Would your institution be interested in participating in an experimental estimate exercise?

- Yes
- No

This Question is Conditionally Shown if: (11A = Yes)

**11B.** If yes, what technical assistance, if any, would you need?

---

---

---

**12.** Do you have any other comments in relation to the guidance as described in the guidance note?

---

---

---
