We are happy to announce the release of the 61st issue of Journal of Corporate Finance Research.

Journal of Corporate Finance Research was established in 2007.

It is founded by the National Research University Higher School of Economics (NRU HSE) and Irina Ivashkovskaya (chief editor). The journal is included in the Web of Science Russian Science Citation Index (RSCI).

JCFR is an open access scientific journal with a double-blind peer review system. Its aim is to publish high quality and well-written papers that develop theoretical concepts, empirical tests and research by case studies in corporate finance. **JCFR** targets scholars from both academia and business communities all over the world. Our primary field of interest lies within corporate finance practices in emerging economies and markets. At the same time, our authors are not only scholars from emerging countries, but from all over the world whose research is considering emerging economies.

The latest volume presents to your attention the following articles:

- 1. Ion Frecautan** – Performance of Green Bonds in Emerging Capital Markets: An Analysis of Academic Contributions
- 2. Jasmine Lau Huey Huey, Dr. Asri Marsidi** – Impact of Ownership Structure on Dividend Pay-out: Evidence from Properties Listed Companies in Malaysia
- 3. Vladimir Nikiforov, Dmitry Tikhomirov** – The Impact of the EU Carbon Border Adjustment Mechanism on Russian Exporters
