INTERNATIONAL STUDENT SUPPORT

istudents.hse.ru/en/

All answers on one website!

The Centre provides support regarding non-academic issues, offers consultations and can help you adapt to your new life here. It organizes and holds orientation sessions for international students pursuing studies under degree programs, as well as meetings between international students and the University's administration and various adaptation activities together with other HSE University subdivisions.

The Centre can also assist international learners and graduates with finding jobs and internship placements.

YOUR OWN HSE UNIVERSITY E-MAIL

mail.yandex.ru

example:

nsurname@edu.hse.ru

usually name (1st letter) + surname

- your login and initial password will be sent to your personal e-mail address;
- e-mail account is provided by the University for the entire period of study;
- use your HSE University e-mail for a verifiable exchange of documents and official information between yourself and HSE University staff;
- serves as a means of communication with teachers, program offices and the University's administration.

The initial password is created by the University. Students must change their password after their initial entry into the system. To reset your password, you will need to confirm your telephone number and add/update your personal e-mail to your personal account via **My HSE Services**.

Starting from the 2022/2023 academic year, access to personal accounts can be made through <https://mail.yandex.ru/>

USEFUL APPS

Which ones to install first?

HSE APP X

Schedule - information about your classes and teachers

Deadlines - easy to use reminders of homework and collaborative projects

Record book - course grades, GPA and ranking place on one screen

Rankings - current and cumulative rankings for any period

Libraries - digital reader pass in Apple Wallet, book drop deadlines, library schedule and map

Search by students, staff, groups, faculty, classrooms, and projects

HSE NAVIGATION

- Navigator for all HSE buildings on Pokrovka and Shabolovka
- Classrooms, corridors, elevators, stairs and restrooms are marked on the map
- Choose point A and point B and the Navigator will show you the most convenient route
- Detailed map of all HSE buildings on Pokrovka and Shabolovka

YANDEX MAPS

Yandex Maps create all types of routes: by public transportation with a forecast of arrival, by car with traffic jams being displayed, even on foot right to the entrance of the building. And also guide you offline if you download the map. It is possible to track the movement of buses, trams and trolley buses online in real time!

YANDEX METRO

The app will show you the best route, tell you which carriage to get into, show you exits from stations on a map and warn you about closures. The app has more than 20 metro schemes for Europe, America and Asia. Yandex Metro takes into account travel time, necessity of changing lines, and displays stations closed for repairs. It will tell you how to reach your destination faster without wasting time. You will never get lost!

A spiral-bound notebook with a white cover and lined pages is set against a blue background with green speckles. The notebook is open to a page with a red vertical margin line on the left. On the page, there is a pink line graph showing an upward trend, a blue number '04' inside a pink circle, the text 'CRUCIAL PROCEDURES' in orange, and a faint orange checkmark. In the top right corner, there is a white paper corner graphic and two orange rectangular blocks.

04

CRUCIAL PROCEDURES

TAKE A NOTICE:

Check-in to dormitories is possible only from **August 21**, so it is **not** recommended to arrive before this date

AFTER ARRIVAL TO RUSSIA

All foreign students* are obliged to undergo the following compulsory procedures within **90 days** since their arrival:

- 1. Medical examination** carried out at State hospital of Moscow #3 (in case you need assistance, contact Visa and Registration Centre).
- 2. Biometric photography and obligatory fingerprinting** are made at the territorial department of migration of the MIA of Moscow (MVD). Do not confuse it with a voluntary fingerprinting where you do not get any certificate.

** Citizens of Belarus, as well as holders of Russian temporary and permanent residence permits are exempt from these procedures.*
